

Refuge

For women and children.
Against domestic violence.

Please Donate

Dear Patients,

We would like to raise awareness of domestic abuse.

There are different forms, and some of them might go unnoticed for many years. Especially emotional abuse; this can be hard to pinpoint and takes many years to realise to either find a way to deal with or find the strength to leave.

We take pride in being a part of your lives and appreciate we might be the only confidential place you feel comfortable or safe to disclose your situation.

This year we would like to support Refuge.

Our very own Dr Marta Turner has joined JustGiving charity to raise money and awareness by walking 62 miles in March.

Should you wish to donate, please follow the website link or scan the QR code below.

Thank you for your continued support,
Park Lane Surgery
